

BAD ROMANCES

I took my chances with bad romances,
And bad people calling me friend.
They got close to me, then they stuck it to me,
I swore it wouldn't happen again.

I swore I wouldn't, I knew that I shouldn't
But I couldn't help falling for you.
And now you've managed to do me some damage,
By lyin' and bein' untrue.

Yeah, this time girl, you did it,
You snuck up on me from behind,
You set me up, you took me down,
You really hurt me this time.

This time girl, you got me,
Ain't much doubt in my mind,
You messed me up, you did me wrong,
You really hurt me this time.

Well, I won't come crawlin', so why are ya callin',
Just to twist the knife in my side?
Well, just forget it, you ain't getting' credit,
For stealin' the rest of my pride.

Sorry honey, you can save your money,
It's time you went on your way.
When my heart's busted,
By someone I trusted,
I ain't got nothin' to say,

But this time girl, you did it,
Ain't no doubt in my mind,
You stood me up, you knocked me down,
You really hurt me this time.

But this time girl, it's over,
This time this is the end.
You fooled me once, but not this time,
You ain't gonna do it again.

Yeah, you fooled me once, but not this time,
It ain't gonna happen again.

It ain't gonna happen, It ain't gonna happen, No, It ain't gonna happen
Again....
